

Y. M. C. A.

SECRETARY'S OFFICE.

New Berne, N. C. Nov 10th 1894.

Hon Elias Barr-

Raleigh N.C.

Dear Governor:

When we were in the
Congress you kindly said to me
that, in the event of Senator
Jarvis' election, you would
do all in your power to secure
me a place in the ^{3^d} Federal
service. There is no longer any
probability of his election, but,
notwithstanding our defeat, he
may be able to do something.
Please try and induce him to
make the effort without delay.

I suppose you have nothing
to offer in the state.

Y. M. C. A. Return to
SECRETARY'S OFFICE.
NEW BERNE, N. C. *Ed Battle*

His Excellency Elias Carr.

Personal }

I had rather hold position
with you than with the President
because of the personal friend-
ship you have exhibited.

Ever at your service

Yours truly
