Gov Cass.

Dear Sir

I approve Mrs Bryan
bill and send you, I am fearfull
you will think it a big one, as I do
but it was just the best I could
do, she had no material to commu-
re with, so of course they were to
buy. Mrs Bryan says the next
course will not be so much as she
is now fitted out, When will you be
at home again, I want to see you
privately on bussinift, besides I want
some of your good advise, do not settle
home affairs untill I do see you,
hope this will find all well

Yours very Truly
M E Cotton
