Dear uncle Elias,

I was away  
from home, else I should  
have written before.

I see no reason now  
why I should not accept  
the appointment as one  
of the managers & will  
do what I can. Feel  
emphatically that you  
should have thought of me.  
I had a letter from Mrs.  
Thompson lately.

Atty has not been at all  
well & I have spent  
this week with her. She

& send from me my  
love to you all.

Yours affectionately  
Lucy S. Cushingham.
