

Darlington, N. C.

March 4th 1906

By
His Excellency Gov. Elias Carr.
Chairman Vance Memorial Association

Dear Sir.

I have
just received your letter
of instructions. As our
population is so largely
made up of poor people
and factory people, we would
find it impossible to
secure a good house
if the tickets were
more than thirty five cents (35¢)
Having waited for a

week for a reply from
Mr Thompson and not
hearing, (his letter came
tonight) I gave the printer
this morning the order
for the tickets at the
above price. I trust
that this will meet
with your approval,
for after consulting with
the ladies and my business
friends, we feel confident
that we could not
secure an audience at
a larger price. I trust

that the "Lion" will
prove a great success,
and that the monument
will soon be erected -
I shall follow other
instructions as directed.

Very Sincerely
Mrs. C. C. Holt.
