

March 11th 1896.

His Excellency Gov Elias Carr
Chairman Vance Memorial Association.

My dear Gov Carr

Mrs. Morehead and I received your letter asking us to do what we could to make Mr Polk. Millers lecture for the Vance Monument a success. It will be a great pleasure and honor to follow this request to the limit of our power. One of us was out of town when your letter came, which caused some delay - but we are now at work. With the sincere hope that

speedily the requisite amount
of money may be obtained
and a noble monument
erected.

I have the honor to be

Yours very truly

and respectfully

B. L. Dewey.
