Hon. Elias Carr,  
Gov. &c., Raleigh, N.C.

Dear Sir:

I have just left Mr. Bhadwick; after a full consultation with him concerning the matter under advisement, he concurs with us in saying that the hand car plan is the most feasible. He concurs further in saying that he fears that the object of the trip can not be kept secret; however, he can think of no better plan, and is ready to further the one suggested. Please command me when you

wish me to act further in  
the matter.

I am,

Very truly,

Your obt servant
