To His Excellency -

Elias Carr Gov. of N. C.

My dear Gov. While Col. Mc. Clellan is your guest while in this state, we take the liberty of sending Prof. Atkins to Raleigh to confer with you and Col. Mc Clellan, as to such form of entertainment as will most add to his pleasure. We hope you can so arrange your engagements that you can visit our town, with Col. Mc Clellan, & spend the entire time of his visit here with him & us. We would be glad to have you bring also, Mrs. Carr or other members of your family. I want to show you my fine baby also, in whom you have been so interested.

Respectfully H. E. Fries. Chm
