Mr. Horace G. Smith,  
Richmond, Va.,

Dear Sir,

I will fill out  
bank reports and send to parties  
as early as possible. The Committee  
are working hard to have the  
Recital a success financially.  
Please write me when to expect  
Mr. Miller. He had better come  
either Thursday night or Friday  
morning, if he tries to come here  
on Friday night he will get  
here too late, he must not try to  
come on that train, Friday morning  
is the best time. Let me know  
if I must expect him.

J. C. FLETCHER, Proprietor.

Monroe, N. C., ..... 189

on the morning of the 20th, the  
train gets here about 6 o'clock  
in the morning & at 10 o'clock at  
night, so you see he would get  
here too late to come on the  
night of his Recital. Let me  
hear from you  
yours respectfully

Wm J. C. Fletcher

P.S. The Committee will  
meet him at depot.

Please write or wire when they can  
meet you - what train &c
