DICTATED BY 

Savannah, Ga., March 26, 1896.

Hon. Elias Carr,

Governor of North Carolina,

Raleigh, N.C.

Dear Sir;-

I am informed that Mr. Stephen B. Weeks has compiled, for the State, an index to the Colonial Records, and that the same will be furnished, upon application to any one holding a set of the said Records; upon this information, I now write to ask that an Index be sent to The Georgia Historical Society Library, Savannah, Ga., to fill out a set given to the said Library by the writer.

I take the liberty of addressing you in regard to this matter, as I note that you are prominently connected with the Sons of the Revolution in North Carolina, ^{I feel} and that you will take pleasure in referring this to the proper parties and thereby assist the writer (who is also a member of the Society) in assisting other North Carolinians scattered through Georgia in looking up their Revolutionary ancestors, as many of them now hope to do through these records.

Hoping to have the pleasure of seeing you in Savannah on the occasion of the meeting of the General Society here in April, I am,

Yours very respectfully,
