Mr. A. A. Thompson,
Raleigh,

D. C.
Dear Mr. Thompson:

I have the
pleasure of submit-
ting the enclosed re-
port.

Mr. Miller is de-
lightful and those
who attended evince

Thine delight at his entrance was great
He had distinctly a representative audience of the best people
I regret not reading more, but
must say that my expectations
are fully realized.
Let me say to you & Thos' yourself
to Gov. Carr, that if in any way
I can further serve in this
cause so near & dear to us all,
that it will be a great pleasure

for me to perform any part
that you may assign me.
Thanking you sincerely for past
courtesies - I am very truly yours -
