

Henderson,
March 26, '96
To His Excellency, Elias Leam
Sec. Alf A Thompson.

The ladies of the
Committee and other
influential friends of the
movement - think it desirable
to defer the Polk Miller
lecture at this place for
at least two weeks, owing to
the fact that many Episcopalians
will not attend on account of
its taking place during Lent,
and besides, a religious meeting
of considerable interest, in
which the four other denomina-
tions have united, is now in
progress and likely to
continue for some time.

We desire to make the
Center Lament - a grand
success financially. Vance
Co. cannot afford to do
otherwise, but under the

circumstances we do not
feel assured of a full
house on the 30th.

Please let me know by
Telegram whether Polk
Miller's appearance here
can be postponed.

Very resp^t.

Mrs. M. Parkham

Wish it could not
& refered to letter that
is to follow.
