Hon. Elias Carr,

Dear Sir;

Moses Cheek was delighted when he heard that you would assist him in paying off his indebtedness to you.

I find that I had made a mistake in the amount that Moses had on hand just now. Instead of \$30 he only had \$27., which I forward to you. The balance and more besides will be forwarded by him at once, as soon as he can get it together.

Moses requests me to thank you very sincerely in his name, and to assure you that he will take advantage of the time you have granted him to complete his payment.

Kindly acknowledge

the receipt of the enclosed draft, I remain

Very respectfully

Adrian T. Kiernan
