

[TO: Elias Carr,
Raleigh, N.C.]

Keilleharst,
May 13, 1896.

My dear Governor Carr;

I received the
lovely "Story of Helen
Keller" Saturday night.

I have read three or
four chapters in it
already. I enjoy it
a great deal. I thank
you very much for
it. Is it not wonder-
ful how she learned
to speak, sing and play?

In every thing she
seems to be wonderful
and her character has

been so sweet through
all her life.

I shall always
remember your visit
with pleasure.

Papa and mama
send kind regards.

Thanking you
again for the book
which tells of so
beautiful a character.
I am sincerely your little
friend,

Louise A. McMillan.
