My Dear Governor.

Since thinking over the matter about which you spoke to me in confidence it has occurred to me to suggest to you for your consideration the advisability of postponing action till after the election. I fear the loss made before may raise a new issue in the interested Section which may hurt us and so are not in a position to take on any new issues. There will be ample time after the election for you to reconsider your plans. I only make these suggestions for your consideration and beg that you will only attach to them such importance as your better judgment may dictate.

I am

my truly yours  
Thos. J. Jarvis
