I hope we can carry our State,
in November, & the whole
County for free silver.

I will be down to the State
Convention, on the 25th.

I should like to see & talk with you
before it meets.

Should an opportunity present
itself, that you can aid me,
in case, my friends in the
County should present my name,

to the convention. I
shall appreciate it very
much,

Our crops are looking well,
Good rains,

Much love for you,
Aunt. El, the children,
& to Susie, if she is
with you,

yours Affectionately,

John S. Cunningham

Dear Uncle, Elias,

Jessie writes us of what a nice time, she is having with you all, you and aunt Ed, have always been so kind to us, and we all appreciate it highly,

Our County, is strong for free silver, and if the U.S. was a strong, we would soon have it,
