Dear Gov. Carr,

Since I  
wrote to you I have  
received drafts for  
bills and I am  
now in a very awkward  
position and I am  
forced to try to get  
you to let me have  
the money at once  
to pay up. If you  
cannot the money  
can't you borrow it  
for me. Maria says  
perhaps you can  
help me out yet  
she does not know.  
She told me

Jno. F. Shackelford, President.

W. C. Fountain, Vice-Prest.

she did not know  
one thing about my  
affairs but guess you  
would try to get it  
for me if you could.

I have not yet received  
an answer to the last  
letter I wrote to you.

Trusting I will get a  
check from you at once.  
Love to you all. I am  
Your Friend  
Annie.
