IN RE

OFFICE OF

STATON & JOHNSTON,

v.

ATTORNEYS AND COUNSELLORS AT LAW,

Tarboro, N. C., July 7⁵ 1896

For Elias Carr.

I just received this
morning in seeing Mrs. Hart. She says
that she does not desire a free
Selleman. but wants (\$200⁰⁰) - I
think she could give a note for this
and satisfy the excess of expenditure
of the future nurse. She seems to
be satisfied about it now. but you
know. that after awhile her husband
may do like. others, find out that
the expenditure was in excess. try to
have you refunded - but this seems
to be no disposition to do this -
Yours Very Truly

P.S.

Since I have is better she is
stayed in New York -
