My daughter Eleanor tells me she
was accosted by Prof Wood in
the Hall at St Marys last night
and accused of being guilty
of ~~unbecoming~~^{indecent} conduct on
a previous and similar
occasion. This she indignantly
denies and is corroborated
by Mr Chappone Mrs C. G. Latta
& others who were in company with
her. I believe you will make
inquiry & cause an ~~apology~~^{apology}
to be sent her
