

Saint Mary's School,
RALEIGH, N. C.

July 14th '96

Governor Elias Carr,

Dear Sir,

It is needless to repeat I
very deeply regret that any
thing should have happened
at St. Mary's to incur your
displeasure.

Upon receipt of the note
of the eleventh I spoke to
Prof. Mack. He told me
that he had not the most
remote intention of being
rude to your daughter.

Please assure Miss Eleanor
of this. If the tone of
his voice was intense,
it must have been due
to the excitement of the
moment. It was just
at the beginning of the
final concert.

Very Truly

B. Smiley.
