PAID UP CAPITAL \$30,000.

Tarboro, N.C. 7/15 1896

Dear Gov. Carr:

I am forced to go to you for money if you can possibly help me have it. Bills that I made before I was married are bound to be paid and now if you can do so please let me have the amount at once. Trusting you can make proper arrangements to get it for me. Hope to hear from you by next mail. With love  
Your Friend  
Annie.
