

sweet goodness & kindness
to me & do thank you
for it. We will be
now as friends hope
you will feel as such
toward me and act
so too. Have you read
Maurice if you have I
know ^{you} enjoyed it I think
it is beautiful. As for the
ring I do treasure it so
much would hate to
part with it when it
comes please send the
bill with it & I will
send you the amount.
 Hoping you a prosperous
future I remain

Yours truly,

Lucile Porter

Please return this with my
other letters

never solve I cant think
it was finances I think
there was another trou-
ble great deal greater
than that I ~~think~~ think
through what on earth it
was. God knows how very
dearly and truly I tried
& trusted you at one
time but Elias you
alone have done it all
& I a poor weak woman
must say that there
is a time for all things
& my time was past
now & I am an entire-
ly different person. &
I do appreciate your dear
