Mr Elias Carr

Dear sir this
will inform you that I give
my crop up in your charge
it is impasable for me to
finish the work as I need
money & know there is none
for me but would have to
go deeper in debt you can
handle the crop a better
than you can supply the
need of our family to
do so if you & pa can make
any trade it is satisfaction
with me with many thanks
& the hights appreciation for
your past kindness to me
