Wilmington N.C. Dec 14/96

For Elias Carr,

Raleigh N.C.

My dear Sir,

I went out to
Mr L. W. Ouelly this evening
and Miss Emily Curle. Sister
of Mrs Bettie L. Ouelly gave me
a deed of trust on twenty acres
of land for which she refused
two hundred dollars this
Summer as additional
Security to Mrs Ouelly's Notes
due you and Mr L. W. Ouelly
gave a Mortgage on one horse
four years old as additional
Security to your Notes also,
Mr Ouelly will pay for
Recording the Mortgages,

Doct Penney is equally
interested with Doct Fleming
in the judgement against
Edmund Astin, Fleming has
written to Doct Penney and
if they will compromise their
claims for good I will see
what I can do with your note,
Cotton continues to go down,
How much lower it will
go no one can tell,

Very truly Yours
Jas. S. Parker,
