Messrs Elias Barrison  
Old Sparta N.C.

Gentlemen!

Your favor of 26th inst  
duly received. - We have had  
some very good rains in Halifax  
County and were under the impression  
that they had extended to your section  
and that your river had risen suffi-  
-ciently to enable you to move the Cotton.  
We do not wish to annoy or incon-  
-venience you in the least and will  
wait until you are able to market  
your crop.

Yours truly
