Go Elias Carr

Raleigh N. C.

My dear Sir,

Enclosed you have
L. K. Coker's note for \$150. One hundred
dollars has been paid which I suppose
you have as on Mrs. Esther L. Coker's
note. Fleming is willing to take
\$100 for his judgement against
Edmund Albin and I may
be able to use your note at \$50—
but can not say positively.
All mine and true love.

Very truly yours
Jacob G. Jackson
