Dear Elias Carr

Dear Governor
You have received,
and I am glad to know
that you have a quiet
home to go to when
you can bring your wife
on your own pay, and
leave the affairs of state
behind, furthermore that
it is pleasant to know
that you leave office, not
only without adverse
criticism, but universal
commendation. This much
I can truly say
I have not seen
your successor in office,

To my beloved Henry
over the Mission.

I send by yesterday's
Mail "Kate Carnegie" if
you find anything in
it worth reading, well,
if not put it on the
top shelf. The papers, were
sent me by Davidson
Marked Thermal Belts

The Bulletin to Eleanor,
was sent ^{my} from Kenan
while at Pulson Beach
file which he says the Publisher
of the book. Thanks for
your kind invitation
to visit you, hope to do
so sometime. Am I ever
giving you in love to
yourself I am Dear.

Your truly

C. B. West
