

Dr. Isaac N. Carr,
Surgeon Dentist.

OFFICE HOURS:
FROM 9 A. M. TILL 1 P. M.
FROM 2 P. M. TILL 6 P. M.

Durham, N. C., Feb. 12 1897

Gov. Elias Carr

My dear Sir:-

Yours with check
for \$3⁰⁰ in payment of Miss Mary Cottens acct.
received, and I herewith enclose receipt for
same. Please accept my thanks. - I appreciate
your kind expressions of good wishes for my success
etc. and only regret that Tarboro does not hold
twelve thousand people as does Durham, for I would
much rather live there, because I love the people
of dear old Edgecombe with an undying affection
I felt it to be to my interest to get into a larger
field for my work, and from a business standpoint
am glad that I made the move. I have built up
a fine practice here among the best people in
the community - including a nice practice from
Chapel Hill, those people coming over here to me.
I have practiced in the families of all the wealthy
people here, the Dukes, Carr's, Walls, Worthad,
and all the others, and it is the first time they
have ever had their dentistry done in Durham.
I have made many warm friends here, for whom

I entertain a warm personal feeling, but not -
-withstanding all this, I shall never forget my
many friends in Barbours, nor the kind manner
in which my wife and self were received (when
we first made Barbours our home) by the good
people of that town, and of Edgemoor Co.
I trust it will be my pleasure to visit you
all at some time not very far distant, and
to renew the friendships formed in the years
that have gone by. With best wishes for
yourself and family, and kind regards to all
my friends I beg to remain

Very truly & Sincerely Yours
Isaac H. Carr
