Elias Cook & Son,

Old Sparta, N.C.

Dear Sirs:-

Your favor of the 11th. inst. received, ordering one No. 187 1/2 carriage with extension top. You will notice by the cut that this carriage is only made with a canopy top at that price. It will cost you \$10.00 more for an extension top, therefore we return you the order for correction, unless you decide you will take the canopy top, if so please return same and we will make prompt shipment.

We would like to sell you our No. 187 with extension top which would be \$75.00, or if you prefer it with canopy top at \$65.00 The wagon is very simliar, but better finished and better style as you will see by the seats, back etc.

Trusting to be favored with your renewal order we are,

Yours respectfully,

Jackson Vehicle Co.

Dictated.
