

[TO: Elias Carr. Washington, D.C.]

804 Madison Avenue,
Baltimore.

Apr 13, 1898.

Hon. Elias Carr.

My dear Hon.:

I did not reply
to yr. letter of the
2nd inst., because there
were no vacant rooms
to offer you. I send
you a list of the
rooms. All are now
occupied, excepting
the "Florence Night."

ingale" room, which
has just been un-
expectedly vacated. That
I can hold for a
few days. It is a
very comfortable
room; but is not
as desirable as
the "Marie Antoi-
nette", which is on
the second floor.

The \$5, \$7, & \$9 rooms
are much smaller.

The prices embrace
^{board} room, attendance, nur-
sing, heat, & gas. There

are only two rooms -
the first two on
the list - that have
open fire places for
wood. But they sel-
dom need any ad-
ditional heat; not
once, during the
past two winters.

Any day in the week,
excepting Sunday,
you will find me
here between 3 & 4

P.M.

Yrs Sincerely,

W. T. Howard
