JOHN E. RAY,
PRINCIPAL.

Raleigh, *Wednesday July 5. 1898.*

Gov. Elias Lamm,

Old Spartanburg,

My dear Sir,

Your favour of the 4 Inst.
received. Mrs. McKary is still here,
she expected to have left Saturday, then
she concluded to go Monday last
declining doing so because it was
the 4 July, she may go today but I
can not say positively. When the deed
is delivered and check given the
property will be in possession of
Mrs. McKary but the forces will not
move on the premises before the ^{5th}
August. Mrs. McKary has made arrangements
to have some repairs done on the

building before Mrs Innes takes
possession which will not interfere
with Mrs Dutton and the matter is
agreeable with all parties.

The 175 acres of land on Shocco was
given to your wife by Mrs Kearney
and husband recited over for
several years by May R. W. Alston,
in presence of you
Jacob Parker.
