Dear Governor

I returned from New York this morning, and find your favor of the 18th inst with check for \$5.88 proceeds of sale of down timber to order of O B Bidwell Guardian Susan Annie Coos, for which accept thanks.

I find that Mrs Coos will not be able to make arrangements to reach North Carolina before Christmas week, so that the tenant may not move before Christmas. She expects to arrive at Tarboro & on the plantation soon after Christmas day

With many thanks for
 your kindness during several
 years past I am Dear Governor
