Messrs Carr & Son,  
Old Sparta, N.C.

Gentlemen,  
Yours to Messrs Carr & Son  
has been referred to us - We handle  
very few 7x24 Shingles - The Standard  
for our Trade is 6"x21" These should  
be full 9/16 tapering to 3/16 - and as broad  
at the points as at the butts -  
If you have such Shingles in Stock we  
could use one or two Car loads for  
prompt shipment.

We are only in need of 6"x21" - We pay  
Stand # 3<sup>75</sup> per ton for N.C. Shingles less  
3% Disc - We shall be glad to hear from  
you -  
Very truly,  
The Nottingham and Wrenn Co.  
W. Woodward
