Mr. Elias Law,

Old Sparta, N.C.

Dear Sir,

Referring to the two notes of  
Bettie L. Overby, \$150<sup>00</sup> each (one of  
which is subject to several credits), turned  
over to me by Mr. A. J. White I beg to  
say I have seen Mr. L. Overby who is  
not prepared to pay them at once & asks  
that he be given until Feb'y 1/99 to  
make settlement. I did not grant this  
extension of time but advised him to  
make an effort at once to raise the  
money & that he would hear from me  
again in a few days. In the mean  
time I would be glad to have your  
advice in regard to the indulgence he  
asks. I shall probably be here several
