E. McK. GOODWIN, Superintendent.

Morganton, N. C., Jan. 2, 1894.

Gov. Elias Carr,

Raleigh, N. C.

Dear Sir:

Your letter of the 27th ult. was duly rec'd and contents noted and appreciated. I had thought of Mr. P. S. Ray in connection with the foremanship, at our printing office when opened. I know Mr. Ray personally and believe him to be a man of excellent character as well as a bright energetic man. I have been told that he is fully competent to take charge of our office and instruct our boys in the trade. I shall be glad to consider his application and if I am convinced that he would make us a good man for the position would be glad to nominate him for the place. There is no place about the institution in my opinion that a deaf mute would be more suited to, than in the printing office.

I will be pleased to give <sup>him</sup> you an opportunity as a matter of justice to the deaf, as well as to show my appreciation of your kind interest in the welfare of our school and the unfortunate youth of our state.

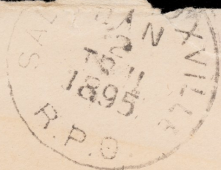

I am, very sincerely and respectfully yours,

*E. McK. Goodwin*
