

Tarboro. N.C.

July 12 1894;

Gov. Elias Carr,
Raleigh N.C.

Dear Sir

Thank you for
your prompt remittance for which
you will find bill receipt.

Permit me to say having just
read your message to the Legislature,
I heartily endorse your recommendations,
and it affords me real pleasure to say
that the wisdom and intelligence of our
State can but approve the substance
of your message expressed in strong
and terse language honorable to yourself
and ought to be a source of pride to
your County - but I have just read it
and have not seen any one except the
"home folks" to hear any expression of
opinion. I am proud of your message
but I would not say thus, if I did not believe
you thought me incapable of flattery -

Very truly
A. G. Williamson
