

Rocky Mount, N. C., Jan'y 25 '95.

Dear Governor: -

Having my feelings very much wounded upon by Mrs. T. G. Foust's appeals, I wrote her a letter by a saying all that I could in her husband's behalf. -

I have rec'd. today a letter from Mr. C. G. Foust of Adeline, Texas, that does me great injustice. - He says that Mr. Overman & Capt. Price told him that "there was a slight difference in the verbiage of my charge as the jury received it as the "Case" showed it" - &c. - I have sent Mr. Foust's letter to Mr. Overman. - It contains the first intimation I have ever had that the "Case" was not in all respects correct. -

The Counsel could not agree on
the "case" & I made it out &
sent it to Mr. Long in States-
ville - asking him to let
Maj. Robbins (one of T. H.
Frost's attorneys) examine
it carefully & to inform me
if there was anything in
it that needed correction -
Maj. Robbins said the state-
ment of the case was all
right & that I had set
Frost with remarkably
accuracy just what
occurred at the trial. -

With best wishes & high esteem,

Yrs. very truly,
Jacob Batt.
