RESPECTED RELATIVE:—

I am happy to inform you that the long expected book of the Carr Family is now printed, and I am ready to receive your order for the same. It will be sent to you by mail post paid, on the receipt of its price, \$5.00.

It is a very handsome book of 540 pages, printed on the best of book paper on new type, and substantially bound. The elegant frontispiece of the Carr coat of arms, printed in six colors, forms an attractive feature of the book. There are also 18 illustrations of different members of the Carr family.

A great amount of labor and money has been expended on the preparation of this book to make it as complete as possible, which embraces the names of 8034 members of the Carr family and their descendants. Every one who bears our honored name or is related thereto ought to have one of these books, which tells so much of our distinguished race from 1592 to the present time. But few people can boast of so long a line of worthy ancestry as we possess, and of course you will want to have as much knowledge of them as possible.

The edition is limited to 500 copies, so you will need to be prompt in sending in your order before they are all sold. This is the only chance of a lifetime to secure a very complete genealogy of the Carr families of this country.

Hoping to hear from you at your earliest convenience, I am very respectfully,

Your devoted relative,

EDSON I. CARR.
