My Dear Governor.

Yours of yesterday came received. The Bank will let you have the desired loan, as much money as you may desire at 6 per cent. I will stand you security. I was very sorry to hear that you had been unwell, and am rejoiced at your improvement.

Am very glad the Legislature has adjourned. I hope that the legislation effected by them will be as satisfactory as we now fear.

Hoping for your continued improvement. I am,
 With best wishes for you & yours,
