

[April 3, 1895].

Grimesland,
North Carolina.

My dear Mr. Carr -

If you are
not too busy, and are
not going to Raleigh,
why can you not
come down and
spend Easter, and
possibly with us Easter
Sunday? We are
going except this morn-
ing and Gra. O'Hagan
and Jack Langhorne
are much delight-
ed to have you & wife
as too. Therefore I hope
you will come, mama.

has been in Raleigh
for some time but
I think she will re-
turn before Easter.
One or twice I am
"holding the fort," please
let me know as soon
as you decide whether
my visit may be made,
as tell as Taylor is very
insistent that I should
spend Easter, and write
after you are a few
with her, I had an-
other note from her
today on the subject,
if you are unwilling

I would much ra-
ther stay here and
be joining her if you
are not, then I will
be sure to join, and do
make the visit to her -
God bless

Yours truly,
Charlotte Bryan Lewis,
