His Excellency  
Governor Elizur C. Bowen  
Raleigh N.C.

Dear Sir:

I send you by  
Express 20 lbs. of Molasses  
Maple Sugar. I had it made  
expressly for you and you can  
tell there is nothing but the  
pure Maple in it. I hope  
you will like it very much -  
It cost me 15 d's per pound \$8.00

There is much disquieture in  
this part of the country concerning  
the famous Modjose out of the port  
of Wilmington and much fear that  
you will call a special term  
of that body. The sentiment here  
is that it is bad to have business  
suspended but ten fold worse  
than that Fred Douglass says

We assemble in our little Capital  
May 7 the most prompt news  
of Wil County home urged  
me to indicate to you their  
Opposition to such a sale-  
Holding even that you will  
asked the Majority of the people  
would suggest -

Yours very respectfully
