

NORTH CAROLINA,  
SUPREME COURT.

Raleigh, N. C., 18 April 1895

Hon. Elias Carr,

My dear Governor,

Unless forbidden by you, I will do  
the 3<sup>rd</sup> Cavalry the honor of adding to the list  
of "historians" yours for that gallant command.  
You will have the <sup>honorable</sup> distinction of being the only  
private on the list. The other regiments had  
officers ~~who~~ (among them six generals) who  
did not forget that they had been honored with  
the command of men on those days. In your  
Rpt. those who received its honors then,  
shirk its duties now.

I am glad that one who neither desired  
nor sought its honors then, but who has  
received the highest honors of the State  
since, will not let the Regiment go un-  
honored now.

Most truly yours  
Walter Clark.
