

[To Elias Carr. Raleigh, N. C.]

Monticello NC

April 30th 95

My dear Elias:

I thank you kindly for the letter to P. M. & Wilson, and I value the sentiments expressed therein more than I would any position within his gift.

Were it not for the fact that I have been to the expense of a couple hundred of dollars, Offices might go to the devil for me, but I am just in such a

position²

that I am bound to
have something to do.

If you should visit
Wm in Washington DC
at anytime, I would
be greatly obliged if
you would see Mr Wilson
in person in my behalf.

I would be perfectly
happy were I only ahead
a few thousand. We are
living at home have
not been to Kingston since
Sept 27th 1894. Some
one from said Court
has misrepresented me
at Washington, I certainly
will give them no
more chances to speak

of me; I have been played
doubly by some would
be friends and down
me if any time don't
come yet to get even
with them. No one
knows the rascality of
this world, until he has
to deal with so called
Statesmen and political
Scavengers; Enough said,
I have them salted. I have
not ^{seen} the great high Priest
of the 1st Baptist, Christian
3rd Party Church, since
the Election. Jim all
preaches at Hebron Church
and holds political
meetings in the same.

Hence the above on
aforesaid name.

Cotton is coming up

Very heavy fruit crop

Pruss were nearly all
threshed off by the wind
of 17th + 18th instant.

I have some fine Straw-
berries $\frac{1}{8}$ Acre. I shall
commence shipping next
week, have an acre
which will come into
bearing next year. Will
send you some grapes
in Sept. of the Thomas
Memory, & James varieties.

Your Course is being
spoken of in the
highest terms; Bill
Worth assumes to be
the Supreme Court.
He is a goggle eyed
Quaker daisy.

Mary and we boys
Send you and your
good people, family
and yourself
much love. Kind regards
to Mr T & Charlie.

Some how I fell into Major
Pore's way of sending love.
