Dear Cousin Eliza:

I have herewith
brother Jesse's letters and bill of
lading.

I sent him check yesterday
as he requested.

In sending me check please
send Western Exchange.

The bank has charge on all
North Carolina paper, though
not for Virginia nor further
north, even as far as Canada.
I believe they say it is a
kind of banking union usage.
It affords me pleasure to have
been of service to you and
William.

W. S. some time arranged the
matter but for the many letters to
brother Jesse before could hear

from him and then the long
delay since.

Poor fellow, all of his
lines have fallen in unpleasant
places.

Hope you are all well.

Yours sincerely,
S. Phillips.

P.S.

Enclose bill for services
or request when here.
Am obliged to you for this and
many other favors and courtesies.

Have just rec'd a letter from
Boddie Williams who is com-
pletely out with medicine and
writes for information concern-
ing graduating terms &c. in
dentistry. He is now at Liberty,
N.C., and says in his communi-
cation: "am here doing nothing and

"multiply again."
