Elias Carr Gov. of
North Carolina
Dear Cousin.

I understand that Mr. Garden has resigned as director, I am very sorry for he is an excellent ^{man} quite different from the other Mr. Garden, who refused to take your regards to me. He is no good. The old Gentleman was bitterly opposed to his making in the Carr.

family that is why
he don't like me.

Cousin Elias if you
think Greene County
still ought to be repres-
ented on the board, I
am an applicant
and would appreciate
the appointment
very much.

Hoping you and
family are all well
I am yours truly
F. T. Carr.
