

House of Representatives U. S.,

Washington, D. C., Jan 16th, 1893.

Gov Elias Carr

My Dear Sir

I have read
your message to the Legis-
lature with great pleasure
and congratulate you
on presenting the "situation"
as ably as the best of
your predecessors. I am
both surprised and grati-
fied to learn that Leager
has made so great a success
of the convict farms.

Your friend
