Governor Carr,

Dear Sir,

A number of ladies in this (Polk) County are trying to organize a movement towards securing its representation in a Feb. Vance Monument Fund, & as we understand that you are at the head of a similar movement in the State at large, we think that your endorsement of our efforts would prove helpful to us, while we will more than appreciate any suggestions you may make as to the best way to accomplish our ends, &

would like to know if we
are to forward to you any
contributions we may receive.

Very Respectfully,
Mrs. J. P. Camp. chairman
