Gov. Elias Carr

My dear Sir:

Enclosed please find Miss Annin Cotten's acct. as approved by Mrs. Cotten. The additional work should have been done last Summer, but was neglected by Miss Annin until she got back from school. No damage was done however. — I recd. your letter yesterday, and am much obliged for the promise of the money, as I particularly need it at this time.

Very truly yours
Isaac N. Carr
