

Tarboro N.C.
July 13/93-

Gov. Carr.

Dear Sir

It is like
you say about my spending
so much money

"I will need it worse when

I am grown than now" but

I can't get along ^{without} a little

I am just back from a visit
to Florence I made my father

When I went I couldn't get
any money except borrowing
it so I had to do so.

While I was down there I went
to the R.R. shops and tried
to get in but they would
not accept me on account
of my application. They
say that I haven't justice
one and I told them I thought
that you had put one
in for me.

Please send me \$5 to
pay my debts and won't
send for your money
any more soon.

Please send.

Thank you ever so much.

Yours truly
Andrew Bates.
