My Dear Governor

In our conversation about the renewal of the lease of the N.C. R.R. I took it for granted that it was for 30 years but I see from the papers that the proposition is for 99 years, and I write to say that I hope you will not furnish a lease to any one for more than 30 years. While I have not changed my opinion about the renewal of the lease for 30 years if it can be done for 7 per cent and all taxes and charges, I would not advise a lease for 99 years even for 10 per

ant. In fact I would not ad-
vise a horse for 99 years to any one
for anything less than a rental
that no one could afford to give.
I would soon see the wood out
right.

We have stayed longer here
than I expected to but we will
get off in the morning for Bonnell's
Springs. Mrs. J. I am glad to say
is much improved and she joins
me in best wishes for all.

Truly Yours.

Thos. J. Jarvis
