My dear Govr:

Your valued favor read yesterday. It will give me pleasure to comply with your request if on examination I can find any papers I may regard of interest to Mr Chagless. Some six weeks ago or more, I mailed him at his request, the copy in my fathers hand writing of the report made by him to Gov Vance, & some few other papers. He did not acknowledge the recd of them, though I supposed they were delivered as they were not returned through the mail. I am writing hurriedly to catch the mail. & will write again if necessary. With great respect Sir - I am -

Yr friend & obt serv.

Wm J White.
